

## Solicitation Agreement Request

A signed agreement is required to inform your credit union staff and volunteers about CULAC, the PAC of Credit Union National Association, and federal PAC efforts by the Heartland Credit Union Association.

However, your signature does **NOT** mean your credit union is required to donate or participate in any of the CULAC events or credit union PAC events in your state.

For your convenience, it is recommended to sign the CULAC solicitation agreement for five (5) calendar years. There is also an option to sign this agreement annually.

Please return this printed agreement to:
